**Registrars Report:**

Welcome to the 2019 AGM weekend. Looking forward to another good season in the year ahead. May the weather be kind to us all with the right amount of rain and sunshine. (yeh right)

DNA Envelopes - if anyone needs these, please let me know and I will get them printed and sent to you. If anyone is still unsure about this, please ring me for a chat. The best time for collecting your tail hairs on your future sires is as soon as they are born. Clean hairs will keep indefinitely in the DNA envelope.

Calf Returns - very disappointing so far this year, less than a week to go and I have only had 25 calf returns sent back to me of the 81 that were sent out! The most common thing that is forgotten on your returns is SIGNING / DATING them, or no tag number. Please check these before you put them in the envelope.

Housekeeping - when you are emailing or posting me information of any kind, could you PLEASE put your HERD Number on too. This saves me time when I have to go and look it up.

Enjoy your weekend.

Susan

**Breed Management:**

Confirming that the DNA testing is in force as of 1<sup>st</sup> January 2019.

**Membership Report:**

- a. Resignations since last meeting – Associate - C Macdonald.
- b. New breeder application from David Bunn, Alexandra (White), 5 transfers on there way to Susan.
- c. New associate Robert & Sheree Boyd, Waimauku.

### **Promotion & Marketing:**

Barbara Wickstead mounted a display at Canterbury Rare Breeds, very successful despite rain, with 6 people very interested in buying Galloways. Sue McLaughlin helped on the day.

Angela - updated all Members lists on the Website, NI Central West & East has been amalgamated into NI Central, as only 4 in East. A few other changes to our website were made. Some stock for sale added.

A Newsletter Gazette was published in February, and emailed to all members with email, a few posted. This included details of new DNA bylaw. Tracy Wood will publish the next Newsletter Gazette in early May.

**Website** – not happy with the new website in general. The first 12 months of subscription will be up in September? 2019. Susan to talk with Linda PBB about another website designer “Pivot Design”. Also ‘Weebly’ is a another great website to look into – Tracy Wood is currently and has been using this for a few years. No problems. The aim is for council members to be able to change and update direct to the website – for a monthly fee.

**Merchandise** – Faye will meet with Susan to hand over Merchandise stock.

**Facebook** – Susan to take over the Facebook Page – Faye to assign to Susan. Thank you.

**Gazette Annual** - Glossy magazine. A quote received for \$1000 for 100 books to be printed at 20 double sided colour pages. Advertising space will be sold for this Annual. Source AgriSea, Stock Agents, B&B etc for advertising. This is a work in progress. Barbara has kindly offered to compile this magazine with Tracy as back up, along with Graeme. We will be looking at getting more than 100 printed, maybe 200.

A form with advertising space and pricing to be compiled, ready to email out and load on to the website. Every breeder will be listed in the annual – but breeders can pay for an advert promoting their stud.

Members and councillors need to contribute to the Annual. Tracy Wood will include a reminder in the next Newsletter.

### **Regional Reports:**

**Northern** - No report

**Southern** - No report received. They held a meeting last Sunday at John Taylor’s farm, viewing both John & Estelle’s herds, followed by a dinner in Winton. Approxiamtely 6-8 attended, Angela was unable to attend.

### **General Business:**

Barbara was not able to attend ILR2 meeting at PBB on 13 February 2019, but we had already discussed this at last meeting and did not feel we could contribute anyway, so not critical to have attendee.

Barbara and Roger have been re-nominated for Council, no further nominations to date.

Graeme will look into becoming a share holder of PBB and the benefits of this – and share on email to council.
