

GALLOWAY CATTLE SOCIETY
OF
NEW ZEALAND (INC)

VIRTUAL SHOW SUNDAY 4th APRIL 2020

Introduction

The first of these took place during the 2010 AGM and Herd Tour and was well received. This is a new concept whereby animals are entered for showing simply by providing photographs for judging in the respective classes.

Three photos of each entry are provided and the winning entries will be shown via a Power point presentation and prize giving at the Society's AGM Dinner.

Points to Note:

- The virtual show is open to all breeds of registered Galloway Cattle. More than one entry per class is allowable.
- The objective is to find the best Galloway animal based on quality and to showcase entries received without the logistics of presenting and exhibiting at a physical show.
- Belted, White and Standard Galloway animals will all be judged in the same classes
- The Galloway Cattle Society of New Zealand (INC) reserves the right to use any images submitted in the Virtual Show competition. Only entries with this acknowledged on the entry form will be accepted
